Dear Friends of the Middle Tennessee Council,

There are many exciting plans and events happening in the Middle Tennessee Council. We are encouraged that our youth participation continues to grow and based on survey responses from parents of Scouts, the impact of our programs continues to make a significant difference in the lives of young people. The future for Scouting is bright with over 7,300 new families joining Scouting units in the Middle Tennessee Council in 2018.

The Middle Tennessee Council is embarking on a $12 million capital campaign to upgrade Boxwell Reservation so that many future generations of Scouts and families can experience outdoor programs at this iconic camp and setting. The campaign, which kicked off in November of 2018, has raised over $2 million. The Craig Dining Hall renovations are complete, with almost $500,000 invested in that project.

We are excited about the plans for the 100th anniversary of the Middle Tennessee Council in 2020 and the 100th anniversary of Boxwell Reservation in 2021. In the coming months, you will see updates on plans and celebrations for this iconic milestone.

In closing, we are proud of the commitment that our Scout leaders make in developing the youth of Middle Tennessee into the future leaders of our community, state and nation. We are so very grateful to everyone who helps impact lives through Scouting programs.

Yours in Scouting,

Carl Haley, Jr.    Karen Bengtson    Larry Brown

BOY SCOUT WINTER CAMP was a big hit this year with 653 in attendance. This year’s theme was “Scout Fall 007” as they worked on their spy badges. We offered more than 60 different merit badges to our youth, as well as a first-year program for the younger Scouts. Some of the merit badges included railroading, horsemanship, and Citizenship in the Nation, World and Community. In addition to a great camp menu, we had lots of fun with Dodgeball, Gaga Ball, escape room, shotgun shooting, polar bear plunge and game nights. We are honored and thankful to have the Order of the Arrow Wa-Hi-Nasa Lodge at Boxwell as they had over 100 volunteers staff and ran this event by the Arrowmen. This event was chaired by David Thorton and Jack Adamson and they put on an amazing Winter Camp.

WEBELOS WINTER CAMP “Night at the Museum” was a huge success with our Webelos Scouts in the 4th and 5th grades. The staff did a wonderful job incorporating the theme into the program. Webelos were able to earn 4 adventures, play Gaga ball, shoot BBs, archery and more. Webelos Scouts and families made everlasting memories and survived another year of Webelos Winter camp as they worked towards their “Arrow of Light.”
The ninth annual Klondike Derby was held at Latimer Reservation the weekend of January 18-20. Special thanks to this year’s Derby Chairman, George Huttick. George and the VOA put together a very exciting weekend. Over 115 Venturers and Leaders participated in this year’s Derby with excellent efforts by all that participated! The weekend was very challenging with rain, ice, snow and plenty of mud. A decision was made by the leadership on Friday to cut the weekend short due to the weather forecast of ice and snow. However, it did not turn out to be as bad as anticipated with ice and snow, but rain and mud was the weather on Saturday.

Just before the turn of the century, gold prospectors traveled the sub-zero reaches of Alaska by dogs and sleds. They camped out in all kinds of winter weather, and therefore needed adequate survival skills, which they learned from native Eskimos. Scouting has incorporated this theme in the Klondike Derby. The point of the Klondike Derby is to make Venturers and Sea Scouts use their heads, to put their Scouting skills to work in the field, to demonstrate teamwork and Scout spirit, and to have fun in the outdoors in the winter.

The winners at this year’s derby were as follows:
First Place – Ghostbusters Crew 170
Second Place – 80’s Fitness Crew 170
Third Place – Power Wagon Crew 197

Congratulations!

Begin making plans now to attend the tenth annual Klondike Derby in 2020.

WELCOME, SCOUTS BSA MEMBERS!!!

On February 1, 2019, the Boy Scouts of America once again made history by creating Scouts BSA. This program remains the traditional core of the Boy Scouts of America, for youth in fifth grade through high school. Service, community engagement and leadership development become increasingly important parts of the program as youth lead their own activities and work their way toward earning Scouting’s highest rank, Eagle Scout.

For the first time in it’s 100+ year history, the iconic program of the Boy Scouts of America is open to young women as well as young men. Middle Tennessee Council has already chartered seven new Scouts BSA troops just this month, with plans to grow the program to more than 20 units by year end. The mission statement of the Boy Scouts is universal, and true for all members:

“The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.”

Middle Tennessee Council remains one of the top Councils in the nation, and we look forward to continuing to provide top-notch programs and service to all of our members. Welcome to Scouts BSA, and welcome to your new adventure!
Luke Parker  
**Cub Scout Pack 1416**

Living with the vision disorder of ocular albinism does not slow Luke down or hold him back! He loves the adventure of Scouting and participates in all activities even with the challenges the condition presents. He works extra hard so that he can attend every meeting. He always does his best and strives to live by the Scout Oath and Law.

Ali Al-Magensi  
**Boy Scout Troop 169**

Troop 169 lost one of their Scouts, Francis Douge, to acute myeloid leukemia while the Troop was at summer camp. Francis was Ali’s best friend. Even while grappling with his own grief, Ali showed great leadership to keep the Troop together and help them recover from the tragedy. Ali’s positive attitude and attention encouraged the boys to grieve collectively and move ahead with the Troop’s Scouting programs. Even today, after receiving his Eagle, Ali continues to give back to his Troop.
In March of 2020, the Middle Tennessee Council, Boy Scouts of America will celebrate 100 years of building character in young people. Many of our Scouts today are leading the nation, voyaging into space or working on the next scientific breakthrough ........ nonetheless, they are all individuals with great moral character and good citizens.

Each year, the Middle Tennessee Council, Boy Scouts of America goes through several applications to select their “Scouts of the Year”!

This year, we are happy to announce the following four individuals who have gone above and beyond, and proven themselves to be true products of Scouting.

**Stephen Mason**
**Boy Scout Troop 2015**

Stephen has demonstrated unwavering Scout spirit! He was born with spina bifida, a disability that requires the use of crutches and a wheelchair, which limits his ability to participate in strenuous physical activity. But, from day camps as a Cub Scout to camping and canoeing as a Boy Scout, Stephen has always taken part in all Scout activities. He is motivated, determined, persistent and an outstanding example of Scout spirit!

**Christopher Jaylan Curtis**
**Venturer Crew 197**

Chris is an extraordinary young man who has worked hard to be successful in academics, band, service as a Cadet Captain in JROTC, and as a Scout. Chris is an Eagle Scout who serves as a Junior Assistant Scoutmaster and formerly as a Senior Patrol Leader, in addition to many other leadership roles. He is the secretary of his Venturing crew and serves as the Chapter Chief for Order of the Arrow. Chris has attended high adventures at Philmont, The Summit and Sea Base. Chris aspires to attend West Point to pursue a career in the military and eventually become an intellectual property attorney.
For more than a decade, Middle Tennessee Council Scouting families have been enjoying the newest addition to our camps, Latimer Reservation. The more than 1,500 acre camp and facilities are nestled among the pristine wilderness of the Cumberland Plateau, near Spencer, TN.

Though Latimer was designed for older Scouts as a high adventure base, the Launch at Latimer weekend is designed for our Cub Scouts and their families! This family-styled event, which means the entire family is welcome to attend, will offer NOVA and STEM in Scouting programs, shooting events such as bow and arrow and BB guns, and general outdoor fun. We will also have fun events for your Tiger and Lion Cubs as well, so plan to join us for this awesome weekend of fun at Latimer Reservation!

More information for this event can be found at https://www.mtcbsa.org/CubScoutOpportunities/LaunchatLatimer or contact Ron Turpin at rturpin@mtcbsa.org

For most, the mention of Memorial Day conjures images of spring cookouts, warm weather and outdoor fun, and spending time with family and friends. However, we should always take time to remember those service men and women that gave their lives so we have those opportunities mentioned. At the conclusion of the Civil War, in 1868, citizens began placing memorial decorations on the graves of fallen soldiers. Nearly 100 years later, Congress declared this memorial an official holiday, establishing Memorial Day as a National event. The Boy Scouts of America has long since taken time to remember each and every soldier that gave their life for our country, in service to our freedoms. 2019 will certainly include an emotional and patriotic celebration at each of the National Cemeteries across the Middle Tennessee Council. Nearly 40,000 American flags will be placed on the grave markers of fallen heroes, both in memory and honor of their service to this country. Come and share this amazing memory with your Scout on May 25, 2019.
Scouts BSA

Middle Tennessee Council has numerous and exciting activities for your Scout to participate in throughout the year. From camping to canoeing, shooting sports to sailing, and everything in between, you can plan your entire Scouting calendar around the facilities we provide.

Aquatic sports are always a welcomed event during the hot, summer days, and we have tons of fun for your Scouts! You can canoe down the Buffalo River with our crew at Grimes Canoe Base, located near Linden, TN. Camp is open from April 1 through November 1 each year, and offers lots of fun for Scouts and their families.

Shooting sports are available in different varieties at our camp facilities, depending on the age of the Scout. Cub Scouts can enjoy BB guns, archery, and sling shots at Council sponsored events. Scouts BSA have opportunities to enjoy clay target shooting, along with .22 rifle shooting, and more. The Venturers will be able to participate in both pistol range shooting, along with black powder events at Boxwell and Latimer Reservations. We offer numerous trainings throughout the year for range officers, basic firearms safety, and much more.

Perhaps you are a little more adventurous, and you prefer climbing or rappelling for your fun. We offer an awesome rappel tower at Boxwell, and natural cliffs at Latimer. Again, you will want to have leaders that have been through the official BSA rappelling training program, offered twice yearly.

More information about all of our year round-programs are available at mtcbsa.org, and you can also find links there to register for all of our camping facilities. See you at camp!

On Thursday, February 21, 2019, over 900 Scouting investors converged on the Music City Center to attend the 2019 Nashville Patron Luncheon. The annual luncheon highlights Scouting in Middle Tennessee, the Friends of Scouting Campaign, and recognized our four 2018 Scouts of the Year. A special thanks goes to George Stadler, founding member of HMS Capital Management, LLC, for serving as the 2019 Friends of Scouting Chair and Dr. Randy Lowry, President of Lipscomb University, for serving as the 2019 Nashville Patron Luncheon Chair. Their leadership helped the Middle Tennessee Council host a fantastic event where over $1,700,000 was raised for the Scouting program. The 2019 Friends of Scouting goal is $3,131,000.

The Council would like to thank Tennessee Titans Head Coach, Mike Vrabel, for giving a great keynote address. Congratulations goes to the 4 Scouts of Year who were: Luke Parker with Cub Scout Pack 1416, Ali-Al-Magsosi with Boy Scout Troop 169, Stephen Mason with Boy Scout Troop 2015 and Christopher Jaylan Curtis with Venturing Crew 197. The Council would also like to thank Blaine Bishop, former Tennessee Titans player and radio personality at WGFX, and the Tennessee Titans Management Team for attending the VIP reception before the luncheon.

The Middle Tennessee Council is pleased to announce that it has partnered with Trails End Popcorn as the official vendor of the 2019 popcorn sale. The council-wide kickoffs will be held on Saturday, July 13 and Saturday, July 20 from 10-12 p.m. A location is currently being secured. All Scout units will be VERY interested in attending one of the popcorn orientations. Come learn what Trails End has done with the popcorn sale. The Council will also offer a very exciting new marketing program. The popcorn sale begins on August 19.

If you would like more information about the sale or to sign up for one of the popcorn orientations, please contact Kevin McMurrian (kmcmurrian@mtcbsa.org) or Sherry Rakes (srakes@mtcbsa.org). The Council webpage for popcorn can be found at https://www.mtcbsa.org/popcorn.
Each year, representatives from each of the six Boy Scouts of America Councils in the great state of Tennessee gather for the day to join in the Report to the State. Both Council leadership and youth members joined forces on February 25, 2019 for a memorable day designed to report the current state of Scouting across Tennessee.

Beginning at 11:00am, representatives from the state began gathering at the MTC office in Nashville, where they enjoyed a fantastic lunch, and listened to State Senator Jeff Yarbro of Nashville. An Eagle Scout himself, Senator Yarbro regaled those in attendance with his personal Scouting background, and how Scouting had helped him become the strong leader he is today. His legislation on behalf of Tennesseans has focused on a range of issues, including affordable housing, public transportation, health care access, criminal justice and the environment, much of which can be directly linked to his Scouting values.

Following lunch, the contingent traveled to the State Capitol and governor’s office for a tour, before heading to the floor of the Tennessee State Senate for the official program and the report to the state. Christopher Curtis, Eagle Scout with Troop 197 and Crew 197 chartered to Fellowship United Methodist Church, opened the program by calling on the representative from each Council to present their Council information. Representatives from each Council included:

| Cherokee Area Council       | Chattanooga, TN   | Hannah Walton   |
| Chickasaw Council          | Memphis, TN       | Hamp Lackey    |
| Great Smokey Mountains     | Knoxville, TN     | Reece Abbott   |
| Middle TN Council          | Nashville, TN     | Connor MaGuirk |
| Sequoyah Council           | Johnson City, TN  | Levi Singleton |
| West Tennessee Area Council| Jackson, TN       | John Wayne     |

This is an amazing opportunity for the youth and adults able to take part in the event, and we thank all the members that took part.
Boxwell’s 100th Anniversary

As we approach Boxwell’s 100th anniversary in 2021, the Executive Board has approved this effort to fulfill a priority identified in the Council’s 2016 Strategic Plan. We are currently in the quiet phase of the campaign as leadership gifts are being secured.

PRIORITy PrOJECTs
The following is a listing of the priority projects for the campaign with a brief explanation of each:

Leadership Center at Camp Stahlman
Replace outdated facility with one that helps expand programs and serve as an iconic gathering location for Boxwell Reservation campers and volunteer leaders. The Center will include a new kitchen, dining hall, conference room, new restrooms, a safety shelter and space for expansion of meeting rooms.

New Shower Houses
New shower houses with restroom facilities at Camp Craig and Camp Stahlman will bring Boxwell Reservation into the 21st century. The current restroom facilities receive very low marks on camper surveys.

New Family and Staff Lodge
To provide indoor overnight facilities for training groups or STEM Scout families and other visitors not accustomed to the more primitive camp experience. The facility will also be used to support outside groups who will rent the space.

New Skilled Trades Center
To provide Scouts opportunities to earn merit badges in trades such as welding, plumbing, electrical and auto mechanics. Trade skills learned through these merit badges may foster a future career or hobby for Scouts.

Camp Craig Dining Hall Renovations
Timber replacement on front, glass replacement in dining hall, new roof with repairs, and new and accessible bathrooms.

Renovate Ranger Residences
Improve residences to provide a more up-to-date home for Camp Rangers and their families.

100-Year Anniversary Gateway
A new entrance gateway is being built to mark the threshold into the camp and provide Scouts with a spot to take group photos to treasure for years to come.

More information will be released as we launch into the Public Phase of the campaign later this year. In the meantime, if you have any questions, please email Scout Executive Larry Brown at lbrown@mtcbsa.org.

SCOUTING HEROES - CINDY CARTER

The definition of a “hero” certainly has numerous meanings, depending to whom you are speaking, so when we say “Scouting hero”, Cindy Carter should be someone that immediately comes to mind.

Cindy and her family arrived in Middle Tennessee in 1992, having come to us by way of...Canada! Following a career, Cindy’s husband, Evan, brought the family to Lawrenceburg, and almost immediately Cindy joined in helping her son’s Cub Scout pack as a leader. However, Cindy was not exactly new to the world of Scouting. At the age of 18, Cindy joined a “Rover Crew” in her hometown, a group that she compares to BSA’s Exploring program, only without the career emphasis. Her future husband was a member of this crew, and was also volunteering to serve as a Cubmaster for a local Scout group. She fell in love with Scouting, as well as Evan, and has been involved in some form of volunteerism for Scouts since then.

Cindy continued her Scouting because her child wanted to be part of the fun and begged her to help as a pack leader for Pack 268, chartered by Coleman United Methodist Church. Beyond the initial role of Den Leader and Cubmaster for her son’s pack, Cindy has countless titles and “hats” she has worn, and continues to wear, in her community. Almost five years ago, Cindy realized the need for a Boy Scout troop in the Lawrenceburg area, so she took it upon herself to form Troop 268, and got the Coleman UMC to agree to sponsor said troop. This troop now has a regular 10-12 membership, and expects to double in size next year with a Webelos crossover group! As if that were not enough time devoted to Scouting, Cindy has served in practically every position on the David Crockett District Committee. To name a few spots, over the years Cindy has served as... District Commissioner, District Training Chair, District Round Table Chair, District Finance Chair, both pack and troop Committee Chairs, Day Camp Director and Program Chair, and is currently serving as the District’s Activities and Civic Service Chair. Cindy’s servant heart runs beyond the Council, as she has also worked on Philmont training staff, and has even been a NAYLE assistant course director.

Outside of Scouting, Cindy and her husband are very active in their church missions, and also the local Kiwanis chapter. Cindy continues to volunteer as a youth group leader at Coleman UMC, and also finds time to act as a substitute teacher at their local school. During her “spare” time, Cindy loves gardening, cooking, and one of her most favorite past-times, traveling. Though now grown, she is very proud of her three children, sons Greg and Andrew, both of whom are Eagle Scouts, and her daughter, Michelle.

Cindy sees Scouting as continuing to move toward a “whole family” program. When asked about Scouts BSA, Cindy said, “This is what we were doing in Canada 25 years ago; I am glad to see things moving this way.” She also says this is the only program in the world that will involve all aspects of a child’s life, including the physical, mental and spiritual components necessary to make a well-rounded adult. MTC salutes you, Cindy Carter, and we thank you for being such an amazing Scouting hero for the youth of our Council.
