

# Spring Merit Badge Days

## At Boxwell Reservation

April 10 and 11, 2021

## The Path Less Traveled

Exciting news as we have created another opportunity for Scouts BSA to advance in the program. Merit Badge Days was a huge success in 2020 and due to Covid-19, we feel that this would be the best option to stay safe during these times. This merit badge day will replace the 2021 Spring Jamboree at camp Arrow Head, On April 10 and April 11 Boxwell Reservation we will be hosting a Merit Badge Day(s) as we did before. Same concept, same style but this time we are offering over 15 **UNIQUE** Merit Badge Classes, our Winchester Marksman Program, Adult Training opportunities and the opportunity to learn the history of Boxwell Reservation .

This ONE-DAY opportunity will allow your Scouts to work on a merit badge that's will help them in their journey to Eagle Scout while learning a unique merit badge. Your Scout can sign up for this one-day merit badge class or sign up for both.

The Cost is \$35 per day and lunch is provided. Each session is limited to 20 or less Scouts and will be on a first come, first serve bases. This group will stay together all day and will not comingle with other groups at Camp. Parents who are interested in staying can have the option to purchasing a lunch for \$5. Please bring a water bottle, paper and pencil and other items needed for your session.

Below is the list of classes taught daily at camp. Check-in will begin at 8:00 am. You must have the Pre-Event Screening and parts A and B of the Health Forms completed. We are following the CDC guidelines for Covid-19 and will check Scouts as they arrive. If you don't have the completed documents, you will be turned away. Pick-up will be at 5:00 pm at the same place that you dropped your Scout off.
