

Middle Tennessee Council

**LAUNCH AT LATIMER
2018 LEADERS GUIDE**

Latimer Cub and Family

334 Plantation Road

Spencer, TN 38585

April 20-22, 2018

Dear Cub Scout and Families of Middle Tennessee,

On behalf of the Latimer Cub and Family Camp Committee, we are excited to welcome you to the third annual LAUNCH at LATIMER for your Cub Scout unit.

I hope you will do whatever you can to help encourage every boy and parent in your unit to join us as we get outdoors, explore nature, camp, hike, and just have fun.

Cub and Family Camping fulfills a vital part of the Cub Scout experience. It's an opportunity for new Cub Scouts and their parents to enjoy a great camping experience; after all, what young boy doesn't enjoy Camping, BB Guns, Archery, Rocket Launching, and Astronomy?

A positive camping experience is a great way to show a new Cub Scout what to look forward to in Cub Scouts and then Boy Scouts. Come out and enjoy the fun as we work on Cub Scout NOVA awards. As we work on NOVA Awards, there will be water rocket launch competitions, astronomy, and other activities such as archery, fishing, human foosball, and lots of FUN.

This year's event is open to all Packs. If you are unable attend with your Pack, you are welcome to attend with your family. Participation is limited to the first 225 Cub Scouts and their families that register.

We are so blessed in the Middle Tennessee Council to have incredible camping properties, such as Latimer Reservation, and a wide variety of programs for youth and adults to choose from. This guidebook provides important information to help you better plan and prepare for the upcoming Cub and Family adventure.

Yours in Scouting,

General Information and Registration

Theme

This year's theme is *Launch at Latimer*. Join us as we work on core requirements for Cub Scout NOVA Awards.

Program

NOVA Program (For Wolf, Bear, and Webelos Ranks)

- Out Of This World
- Science Everywhere

Tiger Program

- Curiosity & Intrigue Adventure
- Stories & Shapes Adventure

Who May Attend

Registered Cub Scouts and their families may attend. We encourage the whole family to attend. A responsible adult who will remain there with them during the event must accompany youth to the Cub and Family Camp. Activities are appropriate for Cub Scouts of all ages - Tigers, Webelos, and all ages between.

When

Friday, April 20 through Sunday, April 22, 2018.

Registration

Online registration is available at www.mtcbsa.org under "Camping and Outdoor Programs". Select "Cub Scouts" and finally "Additional Opportunities." Registration can be made by the Pack or individually. Packs that have several attendees are highly encouraged to register as a Pack. This allows the Pack to organize as a group to provide a sense of community.

Cub Scout Packs who are attending as a group are to submit ONE registration for the entire group.

If you are a parent wishing to attend separate from your Pack you may do so, and complete a separate registration for your family. Everyone should be aware that pre-registration is REQUIRED, and each Scout registered to attend will receive a participation patch. Additional patches may be purchased at the Scout Shop on Saturday.

Packs are assigned campsites at check-in; each Pack should plan to arrive as a group.

For additional information visit the Council website or call the Council Service Center at 615-383-9724.

Cost

The registration fee for the Cub and Family will be \$25.00 per Scout. This fee includes all family members and leaders. There is no cost for Guests (Leaders, Adults, and non-Scout Siblings.)

Food

Meals are to be provided by Pack, Den, or Family or as follows:

For your convenience, we will be offering meal tickets. No stoves or cookware to pack, no cooking, no cleanup, and no extra trash in your campsite to dispose. Just think, you can simply come to the dining hall and enjoy your meals. The cost of each meal ticket is \$20.00 per person. Each meal ticket will be good for four (4) meals (Saturday Breakfast, Lunch and Dinner and Sunday Breakfast). Only 225 tickets will be available for purchase. YOU MUST PRE REGISTER FOR MEAL TICKETS. NO MEAL TICKETS WILL BE AVAILABLE ONSITE. Pre-order tickets individually or for the whole pack.

Saturday Menu:

Breakfast - Bagel, Sausage Patty, Omelet, Cereal, Milk, Juice and Coffee

Lunch - Hamburger, Chips, Cookies, Drink and Coffee

Dinner - Teriyaki Chicken, Rice, Broccoli, Eggroll, Sherbet, Drink and Coffee

Sunday Menu:

Breakfast - Pancakes, Sausage Links, Egg, Cereal, Milk, Juice and Coffee

Camping

Camping will be in the base camp area of Latimer. The number of Scouts and family members that are pre-registered will determine the size of each Pack campsite. Fire pits may not be constructed in campsites. Campfires will need to be off the ground or in a fire barrel (we have a very limited number of barrels available at Latimer). Packs can have One (1) fire pit. Larger packs may need two, please bring your own. Use containers and follow the rules of Leave No Trace.

Sleeping Facilities

Everyone will need to provide tents, sleeping bags and personal gear, if you have special needs please make note of those needs when you register. (See Personal Equipment List).

Participants may stay in tent city for a fee of \$10 per tent (2 persons per tent). Tent city capacity is limited so be sure to reserve at registration. (The fee for tent city is in addition to Scout registration).

Trading Post Latimer

There will be a fully stocked Trading Post located in the rear of the Latimer Dining Hall. They will be open on the Cub and Family Saturday from 9:00 am – 3:30 pm.

The Trading Post will offer Latimer items as well as event tee shirts, hoodies, crafts, Cub Scout books, and Leaders' Guides, cold drinks, snacks, and lots of surprises. We accept cash, checks, and major credit cards. Be sure to pop into the Trading Post throughout the day on Saturday to check out new items and specials.

Check-in

The Cub and Family check-in location will be on Latimer Reservation as you enter. Watch for our signs as you drive in. Our Camp Staff will greet you, check you in, and direct you to your campsite. Camp Staff in the Latimer Reservation camp areas will assist you in finding your campsite.

Please plan your arrival between 5:00 pm and 9:00 pm on Friday. Camp Staff will not be available to check campers in prior to 5:00 pm Friday afternoon. If you need to arrive early to camp, please notify the Camp Director.

Vehicles in Camp

NO RVs or Pop-up camp trailers allowed on the Reservation, no exceptions.

Due to the number of attendees at the Latimer Cub and Family Camp, attendees are requested to carpool as much as possible. Parking is available near the camporee field. Because there will be a lot of foot traffic within the camping areas, we ask that once a vehicle is unloaded and parked that the vehicle remain parked throughout the Cub and Family weekend. If you know in advance that you will be leaving Latimer and coming back during the Cub and Family weekend, you must check out and check in with Camp Staff.

Shuttle Service

Limited shuttle service will be provided for those physically unable to walk to and from program areas. Allow plenty of time to transit to activities. Shuttle service will be provided to shuttle campers on Saturday between campsites and program areas from 8:30 am Saturday morning and run until the activities are done on Saturday afternoon. Driving from camping areas to program areas will be strictly forbidden. No one under 18 will be allowed to drive on the reservation.

It is PROHIBITED to drive a truck or trailer on camp property with youths or adults unrestrained in the back or on the sides. This means NO RIDING IN TRUCK BEDS!

Health & Safety

Safety is of the utmost importance at Latimer. Everyone attending Scout, Adult, or Sibling is required by BSA to provide a completed BSA medical form (Parts A & B). Additional copies of the BSA Health and Medical Record will be available at check-in.

These forms should remain with the Pack Leader or Parents (if attending as a family).

Should you need to visit the First Aid Station, please be prepared to present this form to the staff. If necessary, Van Buren County Emergency Management will be contacted for serious conditions.

All youth will receive a wristband. These bands must be worn at all times during the camp session. Leaders are asked to write the youth's Pack Number and a contact phone number on the wristband in

indelible ink in the event the child gets separated from their Pack or family member. Immediately report any missing person to the Camp Staff.

Emergencies

To notify the Camp Office of an emergency, send a runner to the Latimer Cub and Family Office Headquarters in the TOLBERT CENTER, or notify a member of our key Camp Staff.

Special staff hats can identify key Camp Staff. When calling 911 for an emergency, it is important that an adult clearly describe the nature of the emergency to the 911 operators to initiate an appropriate response. If asked which county, please tell them Van Buren County.

The Camp Office monitors the National Weather Service Radio and Internet weather sources for information concerning severe weather conditions.

First Aid

Trained first aid responders will be located at the Cub and Family Headquarters during Saturday's events.

Injuries requiring minor first aid should be handled by the Pack. If first aid is required for a serious emergency, dial 911 and notify the Camp Office.

Fire: Evacuate the tent, or area immediately. All camp buildings are equipped with fire extinguishers for use on small fires by qualified adults. Analyze the situation, and if appropriate, utilize the fire extinguisher or call 911. Notify the Camp Office.

Severe Thunderstorm: In the event of a severe thunderstorm seek shelter inside one of the camp buildings, or personal vehicle.

Personal Hygiene

Water and private sanitary facilities are located near tent city.

Water access and Port-O-Potties will be strategically placed around the camping area.

Tent Camping Tips

Properly prepared Scouts stay warm, dry, and comfortable in their tents in all kinds of weather conditions. Here's a few tips gathered over the years to stay warm, dry, and comfortable. It is not necessary to invest in expensive camping gear to camp in the moderate weather conditions found in middle Tennessee in early October. As Webelos transition to Boy Scouts, they encounter more challenging weather conditions; consult with your Cubmaster, Den Leader, or Scoutmaster before purchasing gear to understand if it will be appropriate for Boy Scout use. A great resource for camping gear and preparation is the Boy Scout Handbook.

1. Site selection. Find a level place with good drainage, free of sticks and rocks. Assume that it will rain, and verify that your tent will not be sitting in a puddle if it does rain.
2. Place a tarp under your tent to prevent ground moisture from being drawn up into your tent. Tuck the edges of the tarp under the tent so that rainwater does not run under your tent.
3. Pitch your tent, staking it to the ground, and attaching the guy ropes as necessary for your tent.
4. Use a sleeping pad, air mattress, blankets, or other material to insulate your sleeping bag from the cold ground.
5. Use a sleeping bag, several warm blankets, or a combination of blankets and your sleeping bag.
6. In cool or cold weather, the best thing to wear at night is synthetic long john tops and bottoms and synthetic socks. In moderate weather, a tee shirt, sweatshirt, and sweat pants will work. There is a saying amongst backcountry campers, and that is, "cotton kills". Cotton materials absorb sweat and moisture and dry very slowly and contribute to heat loss. Change into fresh, dry clothes and socks just before crawling into your sleeping bag.
7. When it is cold, wear a knit stocking cap at night. 30% of body heat is lost through your head, and that is the most exposed portion of your body while in a sleeping bag.
8. Do not take food into your tent. Many critters love the easy meal of your snacks, and can rip holes into your tent while you are away. Bugs and ants also love a tasty snack.
9. Do not use any fire or flames in your tent. Tents and sleeping bags are very flammable.
10. The guy ropes from tents are of particular hazard to young Cub Scouts who seem to run everywhere. During daylight, they dodge most, but not all the guy ropes. During the night, they seem to trip over most of them. Be alert to Cub Scouts running the dark, and have them avoid the tent areas in the daytime while they play.
11. When it is raining, avoid touching the inside of the tent. This can be a source of condensation and in some tents this facilitates leaks.

Prohibited and Restricted Items

Tobacco: The use of tobacco products by anyone under the age of 18 will not be tolerated. Adults may use tobacco products only in areas away from all participants. Council properties are tobacco-free zones, including all buildings, campsites, trails, and program areas. Smoking in tents and campsites, or in view of any Scout is strictly prohibited.

Chemical Fuels: Gas-fueled lanterns and stoves (canister type fuels are recommended over liquid) may be used for outdoor lighting and cooking. The use of gas-fueled lanterns and stoves in any tent is strictly prohibited. A responsible adult, who is knowledgeable in safety precautions, must do lighting and refueling; fuel is never handled by youth. The use of liquid fuels as a fire-starter is strictly prohibited.

Alcohol and Drugs: It is the policy of the Boy Scouts of America that the use of alcoholic beverages and controlled substances are not permitted on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members.

Weapons: No weapons of any kind are permitted at camp. This includes personal archery and rifle/BB equipment. Weapons are not permitted to be stored in vehicles in camp parking lots.

Chainsaws: Chainsaws are not permitted.

Pets: Pets are not permitted at any camp at any time – no exceptions. Please advise all parents to leave pets at home.

Rest: Sleep, or lack thereof, can be one of the greatest causes of a fantastic or poor week. The unit leader should see that from 10:30 pm until 6:00 am each night the campsite is quiet.

Natural Wildlife

Latimer abounds with natural wildlife, including deer, birds, wild hogs, and other creatures. For this reason, we do not allow any pets from home to be brought into camp. We also ask that you not take any wildlife home with you. While most rattlesnakes and reptiles are anxious to elude people that come into their territory, great caution and care should be taken to avoid them while in camp. If you find any rattlesnakes or other reptiles in camp, please leave them alone and notify a Camp Staff Member immediately.

Leave No Trace

Please review with your Pack the LNT Front Country Guidelines prior to the Cub and Family Camp, these are available on [Scouting.org](https://www.scouting.org)

Plan Ahead: Watch for hazards and follow all the rules of the park or outdoor facility. Remember proper clothing, sunscreen, hats, first aid kits, and plenty of drinking water. Use the buddy system. Make sure you carry your family's name, phone number, and address.

Stick To Trails: Stay on marked trails whenever possible. Short-cutting trails causes the soil to wear away or to be packed, which eventually kills trees and other vegetation. Trampled wildflowers and vegetation take years to recover. Stick to trails!

Leave What You Find: When visiting any outdoor area, try to leave it the same as you find it. The less impact we each make, the longer we will enjoy what we have. Even picking flowers denies others the opportunity to see them and reduces seeds, which means fewer plants next year.

Use established restrooms. Graffiti and vandalism have no place anywhere, and they spoil the experience for others. Leave your mark by doing an approved conservation project.

Respect Other Visitors: Expect to meet other visitors. Be courteous and make room for others. Control your speed when biking or running. Pass with care and let others know before you pass. Avoid disturbing others by making noise or playing loud music, and abide by the scheduled Quiet Time (10:30 pm to 6:00 am)

Respect "No Trespassing" signs. If property boundaries are unclear, do not enter the area.

Trash Your Trash: Make sure all trash is put in a trash bag. Trash is unsightly and ruins everyone's outdoor experience. Your trash can kill wildlife. Even materials, such as orange peels, apple cores and food scraps, take years to break down and may attract unwanted pests that could become a problem. There are dumpsters near the LaRoche Dining Hall or you can pack your garbage to go home with you. Leave No Trace.

Let's have Some Fun

The Launch at Latimer staff has planned an exciting weekend for all to enjoy. We are excited to offer something different to Cub Scout camping, a Cub and Family camping event centered around STEM and NOVA Award activities. In order to complete the NOVA requirements, it is critical to be at your program activity location in a timely manner. We want everyone to come out and enjoy this opportunity to spend time with your family and friends while enjoying the setting only Latimer can offer. There will be some activities provided in an open schedule format so that you can enjoy them at your own convenience such as fishing and human foosball. Times have been set aside in the schedule to allow you to take advantage of the opportunities that Latimer Reservation has to offer.

Because scheduled activities generally take more time to get through, we will be assigning scheduled times and locations, by campsite and age groups: for NOVA activities, Archery shooting. It is important to indicate the activities your pack wants to register for when you register your unit. In addition, there will be a water rocket competition on Saturday. Each pack will prepare a rocket for competition. The rocket kits will be provided and constructed onsite Saturday. Prizes will be awarded for the best design and highest climbing rocket.

The activity schedules will be handed out at Friday night's Leaders' Meeting.

Schedule

In general, Friday evening will be set aside for campsite set up and the leaders' meeting. Saturday will start off with a flag raising ceremony at the Tolbert Center flagpole, followed by the activities. Activity areas will close at 5:00 pm Saturday.

A Scout's Own service will be offered on Sunday morning at the TRINITY CHAPEL.

In addition to Archery shooting, NOVA activities will be available for the Cub Scouts to enjoy.

Due to time and supply restrictions, all activities are reserved for Cub Scouts; parents should not expect siblings to participate.

Note - Activities at which the Cub Scouts will be given beads at different activities.

Staff will also have beads available for Good Turn, or Scout knowledge.

Archery

Please Note: Due to BSA safety standards, children under the age of 6 years old will NOT be allowed to shoot at the ranges.

The Archery program provides a great chance for your Cub Scouts to participate in their shooting skills.

We will be providing "Safety Guidelines for BB & Archery. "

This training can be done before the pack comes to Cub and Family, or Friday evening in your campsite.

Having completed the required training prior to coming to the range will allow the Range Officer the option of providing an abbreviated version of the range training program at the range, and get the boys on the range quicker.

Volunteers

Volunteers are what make Scouting events great. If you would like to volunteer yourself, your Pack, or your Troop to help with the Cub and Family Camp, please contact the Camp Director.

2018 Camp Director: Tyler Brandes
